To Whome It May Concern:

ConEXPO2015 s.c.a.r.l. has subcontracted to Watercube SRL MEP's installation's works and Shop Drawings to on the project EXPO 2015 Milan.

The work concerned the Water Fountains Theatre, and corresponding Lights, of Lake Arena and was performed over a period of 12 months, starting April 2014.

The stringent inspection by the D.L. has required a superior level of workmanship, which Watercube SRL has further provided by through profuse commitment.

Watercube SRL has performed the work in a wise more than satisfactory of manner and capability, giving to ConEXPO2015 the opportunity to complete the entire work of Lake Arena, commissioned by the client, in time to be admired from over 16 million people with a huge successful.

ConEXPO2015 s.c.a.r.l. would not esitate to employ Watercube SRL on any future project of similar complexity.

Sincerely,

ConEXPO2015 s.c.a.r.l.
Ing. Marco Cingano
President
