Ref: Watercube SRL

Dear Sir or Madam.

Please accept this letter confirming Watercube SRL as Subcontractor of Water Futures and Green Walls at CP133 Project for PGQ (Permasteelisa Gartner Qatar).

My name is Vittorio Corocher. I was working with Permasteelisa Group from 1994 and, as per today, I am the Permasteelisa Group Project Office Coordinator.

To Whom It May Concern:

Watercube SRL (through Delta Green Arrow Fontane W.L.L.) performed the Design, Supply and Installation of Mechanical and Electrical components for Water Features and Green Walls within the project "New Doha International Airport CP 133 – Passenger Terminal Complex Lounges", one of biggest Airport project Permasteelisa Group had in ME.

Watercube SRL has performed the work in a wise more than satisfactory of manner and capability, giving to PGQ the opportunity to complete the entire work commissioned by the client within the time schedule.

Sincerely,

Vittorio Corocher
Group Project Office Coordinator
